## **City Index appoints Geoff Sawyer as Chief Executive Officer and Executive Director, City Index Asia**

**SINGAPORE, 3 February 2010** - City Index Limited, a global leader in Contracts for Difference (CFD), margined Foreign Exchange (FX) and spread betting, has announced the appointment of Geoffrey Sawyer as Chief Executive Officer and Executive Director for City Index Asia. Mr Sawyer joined City Index's Singapore office on 1 February 2010 and will oversee the Group's delivery of business results in the Asia-Pacific region.

Mr Sawyer has a wealth of experience in the region with 23 years in the Finance industry, specifically Singapore. He has held various positions in the futures and derivatives field, including as adviser and trader, and most recently, as General Manager of CMC Markets Singapore. Mr Sawyer was instrumental in establishing CMC Markets' Singapore operations and developed the business into one of the leading CFD and FX providers in the region.

David Trew, Head of Asia Pacific at City Index, said: "We are delighted to welcome Geoff on board. Geoff is widely respected within the futures and derivatives industry, and comes to us with demonstrated capabilities in delivering results. City Index is focused on growing our business in Asia Pacific, and we believe that Geoff will help us bring City Index's business in the region to the next level."

Geoffrey Sawyer, Chief Executive Officer and Executive Director for City Index Asia, said: "City Index is renowned in the industry for its user-friendly and powerful trading platform, wide product portfolio and strong customer focus. I look forward to working with David and the City Index team to further develop the company's business and presence in Asia Pacific. Together, we aim to become the leading CFD and margined FX provider bringing City Index's wide derivatives offering and excellent pricing to clients across the region. "
